

Annual Report 2015

Laying the Groundwork: The Northwest Lions Foundation

SightLife was originally founded in 1969 by the Lions of the Pacific Northwest. Year after year, some of our most valued partners are the Lions Clubs in Washington and Northern Idaho. SightLife and its Northwest Lions Foundation coordinate with 250 Lions Clubs in our region to provide health screening and healthcare grants to more than 35,000 children and adults. In 2015, SightLife gave back more than \$350,000 to our local communities through the Foundation, which provided free medical care to 300 residents. Read more at sightlife.org/annualreport.

Financial Report

Our revenues grew more than 14% from 2014 to 2015. Only 13.3% of SightLife's spending goes to administration and fundraising. The remainder is directly invested in our nonprofit programs, with more than \$2.5 million in partner eye banks. Read more at sightlife.org/annualreport.

Ambassador

It was Lucy's compassion and exuberance that made her the perfect representative of cornea recipients and SightLife in this year's Rose Parade. Lucy's sister and kidney donor, Lilia, accompanied her, and the pair was joined by Lucy's corneal surgeon, Douglas Holsclaw, MD of Kaiser Permanente, and his wife, Melody Summers, who serves as chairperson of SightLife's Board of Directors. Read Lucy's full story at sightlife.org/annualreport.

THE GORADIA FOUNDATION

Thanks to the generosity of the Goradia Foundation, all philanthropic gifts made to support SightLife's India Eye Bank Development program will be matched up to \$6 million. That means your impact will be doubled as we work toward raising \$30 million, which will ensure that all corneal blind patients in India can see the world through new eyes.

THE VISIONARY CIRCLE

By making a gift of \$1,000 or more to eliminate corneal blindness, you become a member of SightLife's Visionary Circle. Your generosity will provide vital resources for growing eye banks, accelerating the rate at which they can treat those in need. In recognition and appreciation of your standing as a member, you will receive numerous benefits. For more information, please contact Dan Johnson, SightLife's Director of Development, at 206.838.4642 or dan.johnson@sightlife.org.
