Dear Colleague,

Please find enclosed the provisional license certificate for tissue bank operation at the following location:

SightLife - Seattle
1200 6th Avenue, Suite 300
Seattle, WA 98101

The certificate is effective until the date indicated, or the issuance of a full license following an on-site survey of your facility. The certificate, which has been amended to reflect the change in facility owner, replaces that issued April 20, 2022. The certificate must be posted conspicuously at the approved location. Your license is specific to this location; you must notify the Department of any changes in address.

You must submit a new application if you intend to expand your services or activities beyond those listed on this certificate. All tissue for clinical use must be procured, processed, stored, and distributed by tissue banks licensed by the Department for the relevant activities.

To remain in compliance with New York State regulations, you must also:

- Report any changes in director, medical director, and compliance officer within five days;
- Report any change in ownership of five percent or more within 30 days;
- Report any accidents in retrieval, testing, processing, storage, or distribution that may affect the safety of any product within seven calendar days of discovery.

Application forms and specifics of 10 NYCRR Part 52 and Subpart 58-5 regulations are available online at <https://www.wadsworth.org/regulatory/tissue-resources>. If you have any questions, please call (518) 485-5341, or e-mail tissue@health.ny.gov.

Sincerely,

Diane Sullivan, B.S., M.T.
